VISION STATEMENT

To develop into a leading small venture Islamic Financial Institution that will actively participate in the management of projects in addition to the conventional mode of Modaraba activities.

MISSION STATEMENT

Engage in activities that will maximize return on investment through Shariah mode of financing for Certificate holders of the Modaraba.

FIRST ELITE CAPITAL MODARABA CORPORATE INFORMATION BOARD OF DIRECTORS OF MODARABA MANAGEMENT COMPANY Mr. Muneeb Ahmed Dar Chairman Mr. Aamir Iftikhar Khan Chief Executive Dr. Sardar Ahmad Khan Director Mr. Ghazanfar Farrokh Director Mr. Muhammad Javed Amin Director Mrs. Rukhsana Javed Amin Director Mrs. Shahana Javed Amin Director

Mr. Ghazanfar Farrokh	Chairman
Mr. Muneeb Ahmed Dar	Member
Mrs. Shahana Javed Amin	Member

CFO & COMPANY SECRETARY

Mr. Muhammad Arif Hilal

LEGAL ADVISOR

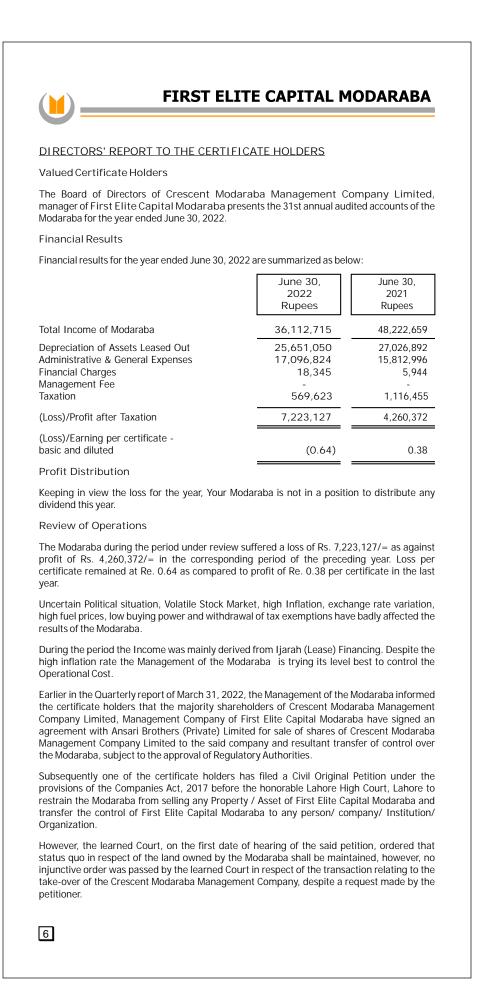

International Legal Services

SHARIAH ADVISOR

Mufti Muhammad Umar

Economy

The economic condition of our country continues to be challenging in the wake of prevailing uncertainty at policy level, weak law & order situation, political instability, low expected GDP, high inflation, wobbly exchange rate fluctuations and inconsistent policies both short term and long term are directly impacting the Modaraba Sector like other Industries.

However, the tough measures taken by the Government by reducing subsidy on various goods may help in maintaining the country's financial position. No doubt the task is very challenging but we hope that the Government with strong determination will soon come out of this difficult situation.

Future outlook

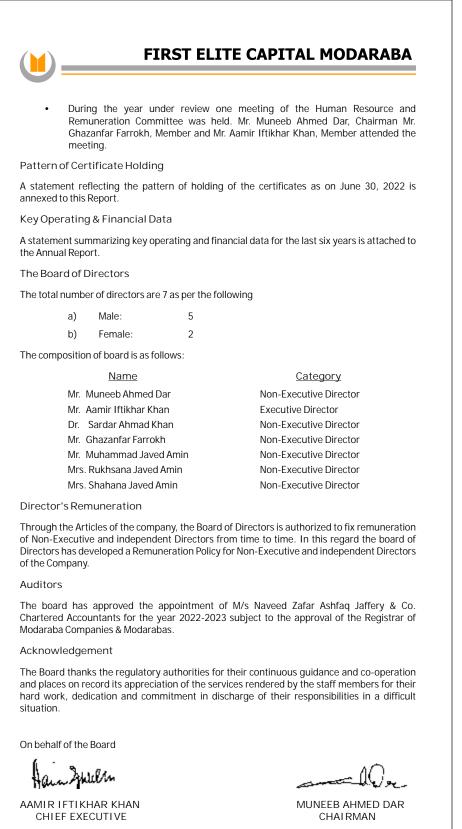

Business growth in current scenario is quite challenging. Inflation is likely to remain high in the coming months due to energy tariff hikes, rising food and petroleum prices and potential expansionary policies. Although the prevailing situation is difficult, bolder and more creative thinking is necessary and your management will continue to strive hard to improve its performance and is hopeful to achieve best possible results under the circumstances.

Corporate and Financial Reporting Framework

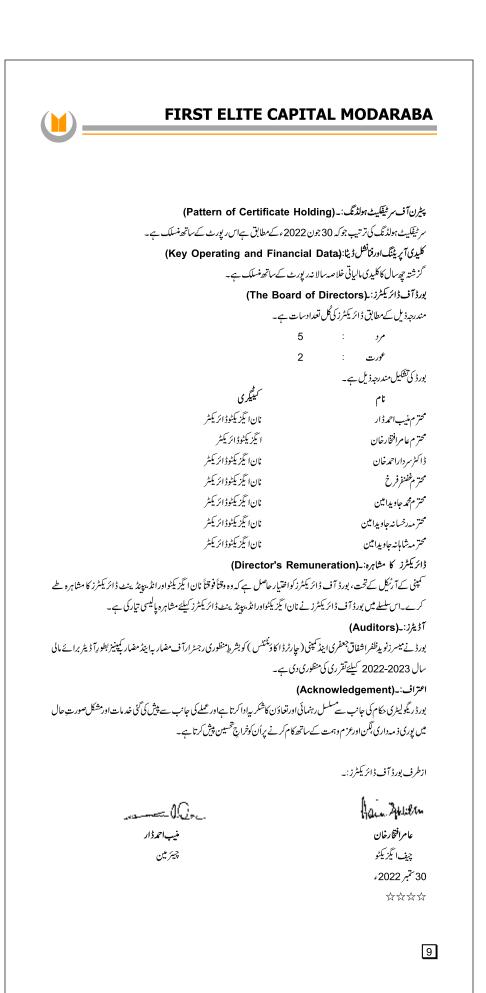

- The Financial statements, prepared by the management of the Modaraba, present fairly its true state of affairs, the result of its operations, cash flows and changes in equity.
- Proper books of accounts of the Modaraba have been maintained.
- Appropriate accounting policies have been consistently applied in preparation of financial statements and accounting estimates are based on reasonable and prudent judgment.
- International financial reporting standards, as applicable to Modaraba in Pakistan, have been followed in preparation of financial statements and any departures therefrom has been adequately disclosed and explained.
- The system of internal control is sound in design and has been effectively implemented and monitored.
- There are no significant doubts upon the Modaraba's ability to continue as a going concern.
- The Directors, CEO, CFO, Company Secretary and their spouses and minor children do not hold any interest in the certificates of Modaraba, other than that disclosed in the pattern of certificate holding.
- During the year under review four meetings of the Board of Directors were held. Attendance by each Director is as follows:-

	Name of Director	Number of Meetings Attended
Ι.	Mr. Aamir Iftikhar Khan	4
II.	Dr. Sardar Ahmad Khan	4
111.	Mr. Ghazanfar Farrokh	4
IV.	Mr. Muhammad Javed Amin	4
V.	Mr. Muneeb Ahmed Dar	4
VI.	Mrs. Rukhsana Javed Amin	4
VII.	Mrs. Shahana Javed Amin	4

During the year under review four meetings of the Audit Committee were held. Mr. Ghazanfar Farrokh, Chairman Mr. Muneeb Ahmed Dar, Member and Mrs. ShahanaJaved Amin, Member attended all the four meetings.

Date: September 30, 2022

AUDITORS' REPORT TO THE CERTIFICATE HOLDERS

We have audited the annexed statement of financial position of FIRST ELITE CAPITAL MODARABA ("the Modaraba") as at June 30, 2022 and the related statement of profit or loss, statement of comprehensive income, statement of cash flows and statement of changes in equity together with the notes forming part thereof (hereinafter referred to as the financial statements), for the year then ended and we state that we have obtained all the information and explanations which, to the best of our knowledge and belief, were necessary for the purposes of our audit.

These financial statements are the modaraba company's (Crescent Modaraba Management Company Limited) responsibility who is also responsible to establish and maintain a system of internal control, and prepare and present the above said statements in conformity with the approved accounting standards as applicable in Pakistan and the requirements of the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980), and the Modaraba Companies and Modaraba Rules, 1981. Our responsibility is to express an opinion on these statements based on our audit. We conducted our audit in accordance with the auditing standards as applicable in Pakistan. These standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of any material misstatement. An audit includes examining on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting policies and significant estimates made by the modaraba company, as well as, evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion and, after due verification, we report that—

- a) in our opinion, proper books of accounts have been kept by the modaraba company in respect of First Elite Capital Modaraba as required by the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980), and the Modaraba Companies and Modaraba Rules, 1981;
- b) in our opinion:
 - i. the statement of financial position and statement of profit or loss together with the notes thereon have been drawn up in conformity with the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980) and the Modaraba Companies and Modaraba Rules, 1981, and are in agreement with the books of accounts and are further in agreement with accounting policies consistently applied
 - the expenditure incurred during the year was for the purpose of the modaraba's business; and
 - the business conducted, investments made, and the expenditure incurred during the year were in accordance with the objects, terms and conditions of the modaraba;
- c) in our opinion and to the best of our information and according to the explanations given to us, the statement of financial position, statement of profit or loss, statement of comprehensive income, statement of cash flows and statement of changes in equity together with the notes forming part thereof conform with approved accounting standards as applicable in Pakistan and give the information required by the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 (XXXI of 1980) and the Modaraba Companies and Modaraba Rules, 1981 in the manner so required and respectively give a true and fair view of the state of the modaraba's affairs as at June 30, 2022 and of the loss, comprehensive loss, its cash flows and changes in equity for the year then ended; and
- d) In our opinion, Zakat deductible at source under the Zakat and Ushr Ordinance, 1980 (XVIII of 1980), was deducted by the Modaraba and deposited in the Central Zakat Fund established under Section 7 of that Ordinance.

1 STATUS AND NATURE OF THE BUSINESS

First Elite Capital Modaraba ("the Modaraba") is a perpetual, multi-purpose and multidimensional modaraba formed under the Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 and the Rules framed there under and is managed by Crescent Modaraba Management Company Limited ("the Management Company"), a company incorporated in Pakistan under the Companies Act, 2017, vide Registration No. L 01630 dated 30th May, 1989. The registered office of the Modaraba is situated at 50-A, Garden Block, New Garden Town, Lahore. The Modaraba was floated on September 26, 1991 and is listed on Pakistan Stock Exchange Limited. The Modaraba is primarily engaged in the business of ijarah, musharakah and murabahah financing, investment in marketable securities, trading of stock and other related businesses.

2 BASIS OF PREPARATION

2.1 Statement of compliance

These financial statements have been prepared in accordance with the requirements of Modaraba Companies and Modaraba (Floatation and Control) Ordinance, 1980 ("the Ordinance"), the Modaraba Companies and Modaraba Rules, 1981 ("the Rules"), Prudential Regulations for Modarabas ("the Regulations") and other directives ("the Directives") issued by the Securities and Exchange Commission of Pakistan together with approved accounting standards as applicable in Pakistan to Modarabas. Approved accounting standards comprise of such International Financial Reporting Standards ("IFRS"), the International Accounting Standards ("IFAS") as notified under the provisions of the Companies Act, 2017 and made applicable to modarabas under the Ordinance, the Rules, the Regulations or the Directives take precedence wherever they differ from the requirements of approved standards. Further, where the requirements of IFAS differ from the requirements of other approved standards, the IFASs take precedence.

SECP vide its circular no. 10 of 2004 dated 13 February 2004, had deferred, till further orders, the applicability of International Accounting Standard (IAS) 17 "Leases" on Modarabas with effect from 1 July 2003 and advised the management companies of Modarabas that they may continue to prepare the financial statements of the Modarabas without applying the requirements of IAS 17 to the Modarabas. However, the requirements of IAS 17 were considered for the purpose of leasing transactions (net investment in finance lease, assets given on finance lease, liabilities against assets subject to finance lease, and assets obtained on finance lease entered into by the Modaraba upto 30 June 2008. From 1 July 2008, all new lease transactions (both for assets given and assets obtained) are being accounted for in accordance with the requirements of IFAS 2 as explained hereunder. Islamic Financial Accounting Standard 2 'Ijarah' issued by the Institute of Chartered Accountants of Pakistan was adopted by the Securities and Exchange Commission of Pakistan ('the SECP') vide SRO 431(1)/ 2007 dated 22 May 2007. During the year ended 30 June 2009, SECP vide its letter no. SC/M/RW/SC/2009 dated 9 March 2009, directed that the management companies of Modarabas may apply the accounting treatment of IFAS 2, only to the leasing (Ijarah) transactions entered on or after 1 July 2008. Under the above IFAS 2, the 'Ijarah' transactions are accounted for in the following manner:

- Mustajir (lessor) presents the assets subject to Ijarah in their balance sheet according to the nature of the asset, distinguished from the assets in own use.

- Costs, including depreciation on the assets given on Ijarah, incurred in earning the Ijarah income are recognized as expenses.

- Ijarah income is recognized in income on an accrual basis as and when the rental becomes due, unless another systematic basis is more representative of the time pattern in which the benefit of the use derived from the leased asset is diminished.

Consequently, in preparation of these financial statements the Modaraba has accounted for leasing transactions executed before 1 July 2008 as finance leases consistent with prior years and has treated leasing transactions executed on or after 1 July 2008 in accordance with the requirements of IFAS 2.

FIRST ELITE CAPITAL MODARABA Basis of measurement These financial statements have been prepared under the historical cost convention

These financial statements have been prepared under the historical cost convention except for certain financial instruments at fair value/amortized cost and employees retirement benefits at present value. In these financial statements, except for the cash flow statement, all transactions have been accounted for on accrual basis.

2.3 Judgments, estimates and assumptions

22

The preparation of financial statements requires management to make judgments, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets, liabilities, income and expenses. The estimates and associated assumptions and judgments are based on historical experience and various other factors that are believed to be reasonable under the circumstances, the result of which forms the basis of making judgments about carrying values of assets and liabilities that are not readily apparent from other sources. Subsequently, actual results may differ from these estimates. Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognized in the period in which the estimate is revised and in any future periods affected. Judgements made by management in the application of approved accounting standards that have significant effect on the financial statements and estimates with a risk of material adjustment in subsequent years are as follows:

2.3.1 Recoverable amount and impairment

The Modaraba reviews carrying amounts of its assets for possible impairment and makes formal estimates of recoverable amount if there is any such indication. Investments in marketable securities are tested for impairment by reference to their prices in the active market. An allowance for impairment is made for all investments for which there is an indication of permanent diminution in market values. Musharakah, Murabahah and Ijarah finances, and related other receivables are tested for impairment taking into account the borrowers' payment/credit history, adequacy of security and requirements of Prudential Regulations for Modarabas.

2.3.2 Depreciation method, rates and useful lives of property and equipment

The Modaraba reassesses useful lives, depreciation method and rates for each item of property and equipment annually by considering expected pattern of economic benefits that the Modaraba expects to derive from that item.

2.3.3 Obligation under defined benefit plan

The Modaraba's obligation under the defined benefit plan is based on assumptions of future outcomes, the principal ones being in respect of increases in remuneration, remaining working lives of employees and discount rates to be used to determine present value of defined benefit obligation.

2.3.4 Provisions

Provisions, other than allowances for impairment, are based on best estimate of the expenditure required to settle the present obligation at the reporting date, that is, the amount that the Modaraba would rationally pay to settle the obligation at the reporting date or to transfer it to a third party.

2.4 Functional currency

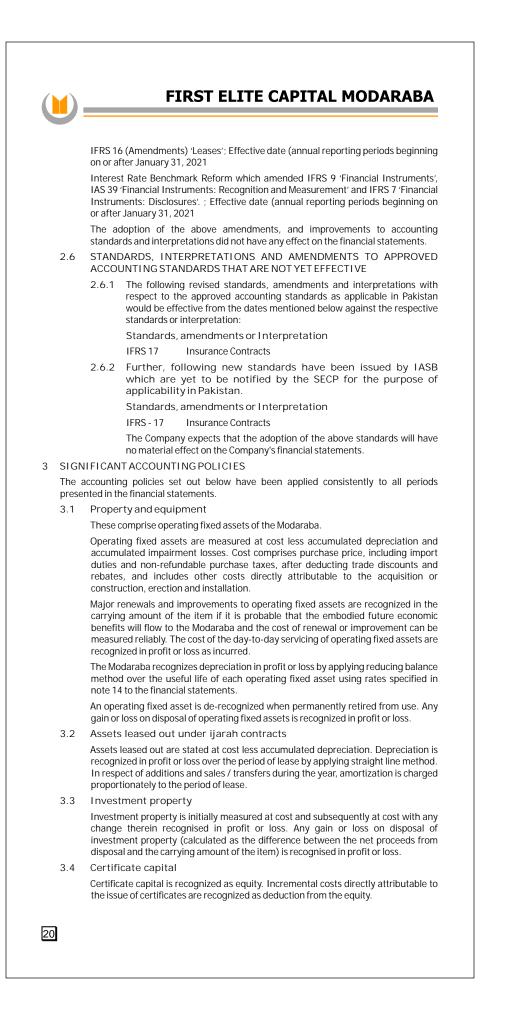

These financial statements are prepared in Pak Rupees which is the Modaraba's functional currency.

2.5 NEW AND AMENDED STANDARDS AND INTERPRETATIONS BECOME EFFECTIVE

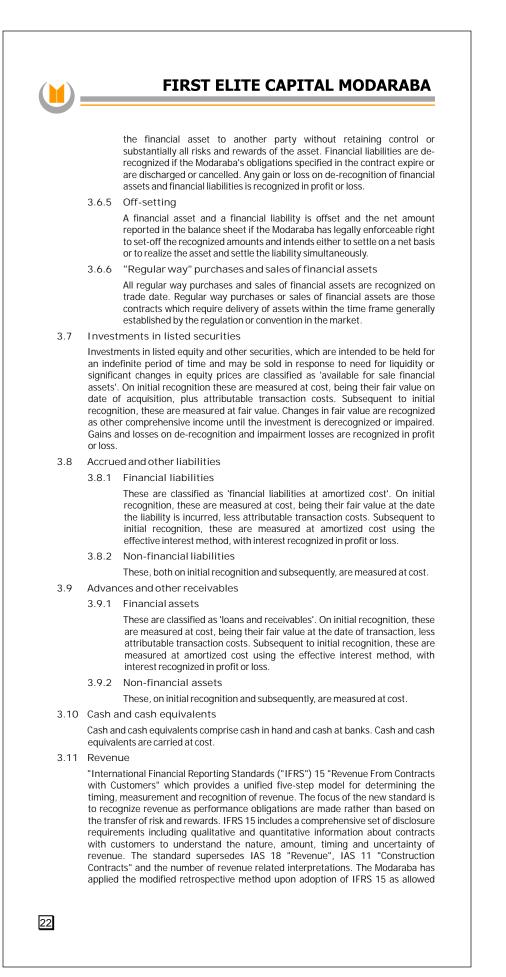

The Company has adopted the following amendments in accounting standard and interpretation of IFRSs which became effective for the current year:

IAS 1 (Amendments) 'Presentation of Financial Statements' and IAS 8 (Amendments) 'Accounting Policies, Changes in Accounting Estimates and Errors'; Effective date (annual reporting periods beginning on or after January 31, 2023

IFRS 3 (Amendments) 'Business Combination'; Effective date (annual reporting periods beginning on or after January 31, 2022

FIRST ELITE CAPITAL MODARABA 3.5 Employees retirement benefits 3.5.1 Short term employee benefits The Modaraba recognizes the undiscounted amount of short term employee benefits to be paid in exchange for services rendered by employees as a liability after deducting amount already paid and as an expense in profit or loss. If the amount paid exceeds the undiscounted amount of benefits, the excess is recognized as an asset to the extent that the prepayment would lead to a reduction in future payments or cash refund. 3.5.2 Post employment benefits The Modaraba operates an unfunded gratuity scheme (defined benefit plan) for all its employees who have completed the minimum qualifying service period. The amount recognized on balance sheet represents the present value of defined benefit obligation. Actuarial gains or loss are recognized immediately in other comprehensive income as required by IAS-19 Employee Benefits. The details of the scheme are referred to in note 18 to the financial statements. 3.6 Financial instruments 3.6.1 Recognition A financial instrument is recognized when the Modaraba becomes a party to the contractual provisions of the instrument. 3.6.2 Classification The Modaraba classifies its financial instruments into following classes depending on the purpose for which the financial assets and liabilities are acquired or incurred. The Modaraba determines the classification of its financial assets and liabilities at initial recognition. 3.6.2(a) Loans and receivables Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Assets in this category are presented as current assets except for maturities greater than twelve months from the reporting date, where these are presented as non-current assets. 3.6.2(b) Available for sale financial assets Available for sale financial assets are non-derivative financial assets that are designated as such on initial recognition or are not classified as loans and receivables, held-to-maturity investments or financial assets at fair value through profit or loss. Assets in this category are presented as non-current assets unless the management intends to dispose of the asset within twelve months from the reporting date. The particular measurement methods adopted are disclosed in the individual policy statements associated with each instrument. 3.6.2(c) Financial liabilities at amortized cost Non-derivative financial liabilities that are not financial liabilities at fair value through profit or loss are classified as financial liabilities at amortized cost. Financial liabilities in this category are presented as current liabilities except for maturities greater than twelve months from the reporting date where these are presented as non-current liabilities. 3.6.3 Measurement The particular measurement methods adopted are disclosed in the individual policy statements associated with each instrument. 3.6.4 De-recognition Financial assets are de-recognized if the Modaraba's contractual rights to the cash flows from the financial assets expire or if the Modaraba transfers 21

under the Standard. This method requires the recognition of the cumulative effect (without practical expedients) of initially applying IFRS 15 to retained earnings. Under this transition method, comparative information for prior periods has not been restated and continues to be reported in accordance with the previous standard under IAS 18 and related interpretations. Apart from providing more extensive disclosures, the application of IFRS 15 has not had a significant impact on the financial position and / or financial performance of the Modaraba. Accordingly, there was no adjustment to retained earnings on application of IFRS 15 at 1 July 2019."

Revenue from different sources is recognized as follows:

Ijarah rentals are recognized over the period of lease as and when the related rentals become due. $% \left({{{\mathbf{r}}_{\mathrm{s}}}} \right)$

Profit on murabahah finances is recognized on time proportion basis as and when accrued.

Profit on musharakah finances is recognized on time proportion basis as and when accrued.

Trading Income is recognized on time proportion basis as and when accrued.

Return on saving accounts is recognized on time proportion basis as and when accrued. $% \label{eq:reconstruction}$

Dividend income is recognized when right to receive payment is established.

3.12 Related party transactions

Parties are considered to be related if one party has the ability to control the other party or exercise significant influence over the other party in making financial or operational decisions and include holding company, associated companies with or without common directors, directors and major shareholders and their close family members, key management personnel and staff and retirement benefit funds.

3.13 Comprehensive income

Comprehensive income is the change in equity resulting from transactions and other events, other than changes resulting from transactions with shareholders in their capacity as shareholders. Total comprehensive income comprises all components of profit or loss and other comprehensive income. Other comprehensive income comprises items of income and expense, including reclassification adjustments, that are not recognized in profit or loss as required or permitted by approved accounting standards, and is presented in 'statement of profit or loss and other comprehensive income'.

3.14 Income tax

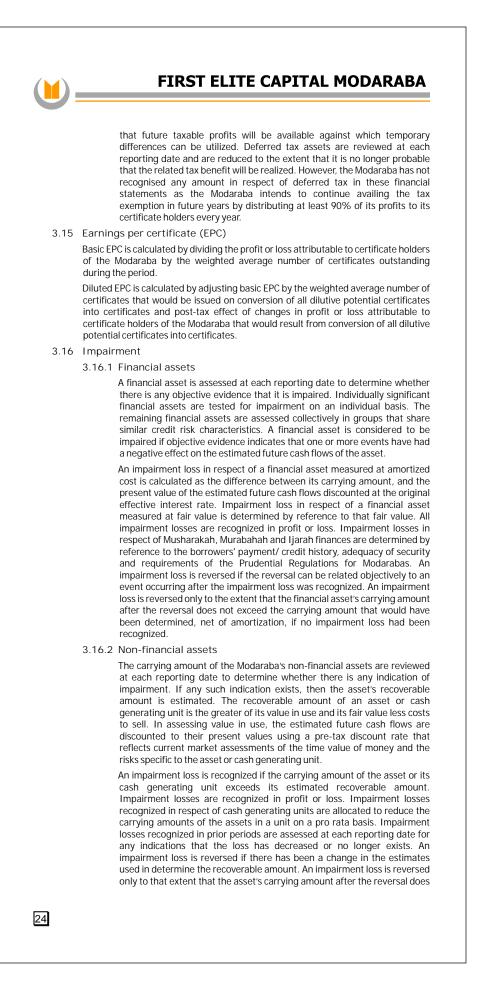

Income tax expense comprises current tax and deferred tax. Income tax expense is recognized in profit or loss except to the extent that it relates to items recognized directly in other comprehensive income, in which case it is recognized in other comprehensive income.

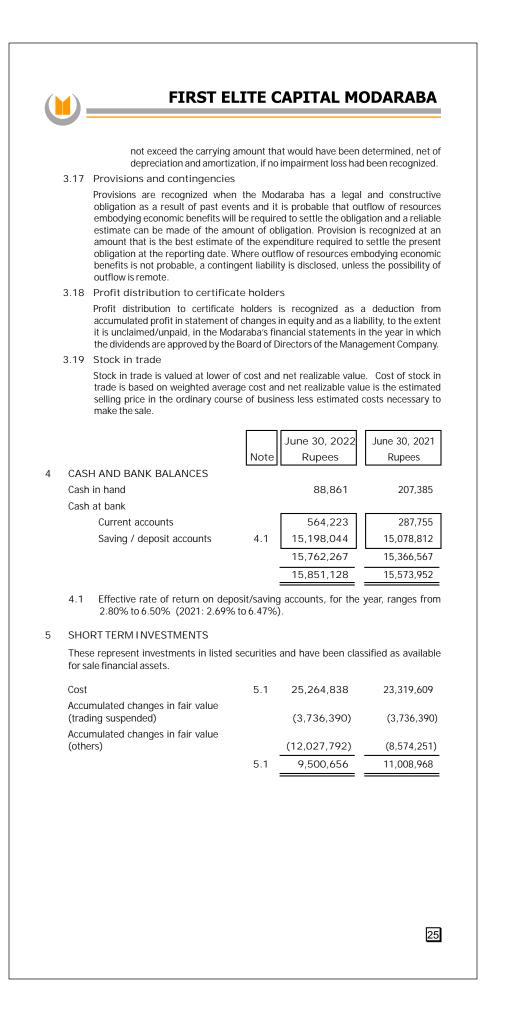

3.14.1 Current taxation

Current tax is the amount of tax payable on taxable income for the year and any adjustment to the tax payable in respect of previous years. Provision for current tax is based on current rates of taxation in Pakistan after taking into account tax credits, rebates and exemptions available, if any. The amount of unpaid income tax in respect of the current or prior periods is recognized as a liability. Any excess paid over what is due in respect of the current or prior periods is recognized as an asset.

3.14.2 Deferred taxation

Deferred tax is accounted for using the balance sheet approach providing for temporary differences between the carrying amounts of assets and liabilities for financial reporting purposes and the amounts used for tax purposes. In this regard, the effects on deferred taxation of the portion of income that is subject to final tax regime is also considered in accordance with the treatment prescribed by the Institute of Chartered Accountants of Pakistan. Deferred tax is measured at rates that are expected to be applied to the temporary differences when they reverse, based on laws that have been enacted or substantively enacted by the reporting date. A deferred tax liability is recognized for all taxable temporary differences to the extent

Review Report on the Statement of Compliance contained in Listed Companies (Code of Corporate Governance) Regulations, 2019

We have reviewed the enclosed Statement of Compliance with the Listed Companies (Code of Corporate Governance) Regulations, 2019 (the Regulations) prepared by the Board of Directors of Crescent Modaraba Management Company Limited, the management company of First Elite Capital Modaraba for the year ended June 30, 2022 in accordance with the requirements of regulation 36 of the Regulations.

The responsibility for compliance with the Regulations is that of the Board of Directors of the Company. Our responsibility is to review whether the Statement of Compliance reflects the status of the Company's compliance with the provisions of the Regulations and report if it does not and to highlight any non-compliance with the requirements of the Regulations. A review is limited primarily to inquiries of the Company's personnel and review of various documents prepared by the Company to comply with the Regulations.

As a part of our audit of the financial statements we are required to obtain an understanding of the accounting and internal control systems sufficient to plan the audit and develop an effective audit approach. We are not required to consider whether the Board of Directors' statement on internal control covers all risks and controls or to form an opinion on the effectiveness of such internal controls, the Company's corporate governance procedures and risks.

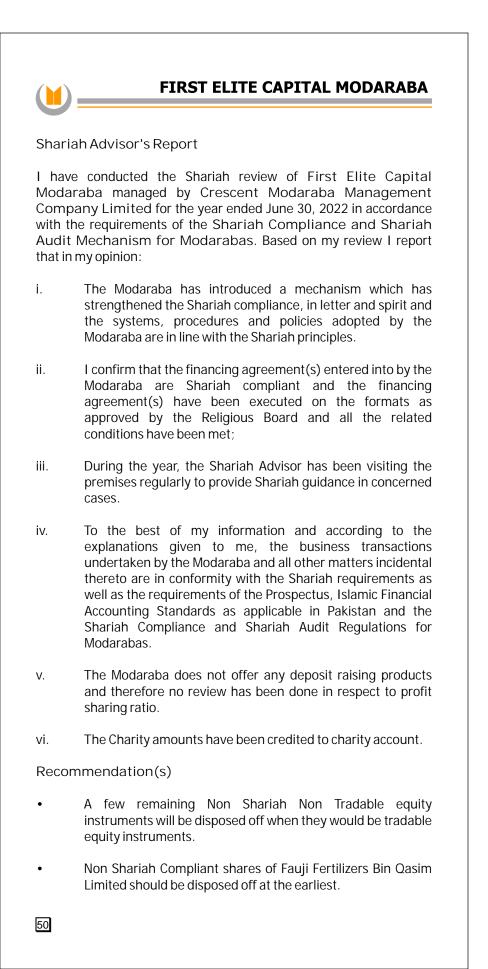

The Regulations require the Company to place before the Audit Committee, and upon recommendation of the Audit Committee, place before the Board of Directors for their review and approval, its related party transactions and also ensure compliance with the requirements of section 208 of the Companies Act, 2017. We are only required and have ensured compliance of this requirement to the extent of the approval of the related party transactions by the Board of Directors upon recommendation of the Audit Committee. We have not carried out procedures to assess and determine the Company's process for identification of related parties and that whether the related party transactions were undertaken at arm's length price or not.

Based on our review, nothing has come to our attention which causes us to believe that the Statement of Compliance does not appropriately reflect the Company's compliance, in all material respects, with the requirements contained in the Regulations as applicable to the Company for the year ended June 30, 2022.
